- All prices are to be inclusive of GST.
- Trailers and Dolly to have a compliance date of 2018 or 2019.
- Trailers and Dolly shall be supplied with a Workshop/Service manual
- Trailers and Dolly to have all relevant Safety and Warning labels as per the Australian Standards
- Trailers and Dolly to be supplied with all relevant and industry standard Road train signage
- Further particulars can be obtained from Mr. Kurt Ball, on 07 4746 1623.

Diamantina Shire Council Tender

CONDITIONS OF TENDERS FOR WATER TANKERS AND DOLLY

1.1 Request for Tender Documents

- A. The organisation providing the Tender shall complete all details on the Tender Form which shall be recognised as the Tender.
- B. The organisation providing the Tender shall sign the Tender or, if the organisation is a corporation, affix the common seal or otherwise formally sign the Tender.
- C. Selection shall be made from the signed Tender and not from any literature or letter accompanying the Tender, unless such attachments are specifically referred to in the signed Tender schedules.

1.2 Variations from Specification

- A. If because of the basic design or other factors it is impracticable for the organisation providing the Tender to fully comply with the specification of vehicle required, he/she shall clearly list these variations and attach to the General Request for Tender Schedule.
- B. Unless these exclusions are stated, it shall be expected that the vehicle offered complies with the specification in all respects.

1.3 Time for Delivery

- A. The organisation providing the Tender shall state on the Tender the time for delivery of the vehicle. A monetary penalty shall be incurred by the successful organisation on failure to comply with the stated delivery time, and at Council's discretion. The penalty shall be calculated at the rate of 0.1% of the Tender price per ordinary working day, i.e. Monday to Friday, exclusive of public holidays, that the actual delivery time exceeds the stated delivery time. Council also reserves the power to subtract this calculated penalty amount from the Tender price and to make payment accordingly.
- B. Delivery shall be to the Council Depot at Eyre Street, Bedourie, and the supplying organisation should nominate the price involved in delivering the items to this point in their Tender price. If the successful organisation/supplier fails to supply the vehicle or equipment quoted within the time set out in their Tender document, Council reserves the right to cancel the order and either place an order with another organisation/supplier or recall Tenders.

1.4 Lodgement of Tender

Tender responses may be lodged by one of the following methods:

1. Via the Vendor Panel – Local Buy online system
2. Via the council's website: www.diamantina.qld.gov.au/tenders
3. Lodged at any time before close in a sealed plain envelope - In the Tender Box, located, in the foyer of Diamantina Shire Office, 17 Herbert Street, Bedourie QLD 4829.

Envelope to be clearly marked with: -

**"Tender for Supply and Delivery of a Double Road Train set of 32000L Water tankers including Dolly.
: - File No. T18/2019/07"**

Envelopes should be addressed to: Diamantina Shire Council – Works Office.

Documents must be submitted before **4.00pm on Wednesday 09^h of January 2019**. No documents will be considered if received later than this time or if received by any other means.

Diamantina Shire Council Tender

1.5 Acceptance of Quotation

- A. Any Tender which does not comply with the requirements of the conditions of quoting in all respects may be rejected.
- B. The lowest or any tender not necessarily accepted.
- C. The organisation whose Tender has been approved and accepted shall be advised by the placement of an official order form from Council.
- D. If the successful organisation fails to supply the vehicle quoted on within the time as set out in their Tender documents, Council reserves the right to cancel the order and either place an order with another organisation or recall quotations.
