

SUSTAINABLY DEVELOPING THE OUTBACK

PUBLIC NOTICE

Complete closure of Bedourie Aquatic Centre

Please be advised that the Bedourie Swimming Pool was closed on 12 July 2017 and remains closed until further notice. This is due to the construction of the new pool treatment plant. The area is a construction site with access restricted to workers wearing appropriate PPE only.

The Spa will be closed from 22 September 2017 due to the current construction and also concern for the health and safety of patrons, specifically the possibly of heat stress resulting from the hot ambient temperature and the hot water in the spa.

Council apologises for any inconvenience and will notify residents and visitors of the proposed opening date as soon as possible.
