

# THE INVITATION FOR FREE BREAST SCREENING NOW COVERS WOMEN UP TO 74

Early detection saves lives. If you're aged 50-74 you should be screened every two years. If you're over 75, talk to your GP to find out if breast screening is right for you.

**OUR MOBILE VAN WILL BE IN MT ISA soon.  
BEDOURIE & BIRDSVILLE Group day 21/7/17.**

**Women 40 years and over are also eligible to join The BreastScreen Queensland program. Phone 13 20 50 to make an appointment today.**
