

SUSTAINABLY DEVELOPING THE OUTBACK

PUBLIC NOTICE

Opening of Bedourie Aquatic Centre

Please be advised that the swimming pool and amenities in the Bedourie Aquatic Centre are open again from today, 27 April 2017. Access will be via the temporary gate in the security fence at the eastern end of the pool. A pool key is still required for access and the padlock must be locked upon entry and exit of the pool facilities.

The wading pool and spa facilities remain closed due to ongoing construction works.

As works are still in progress please be careful and do not enter the fenced off area.

We expect there will be further closures required before the project is completed.

Council apologises for any inconvenience.

Leon Love
CHIEF EXECUTIVE OFFICER
