

SUSTAINABLY DEVELOPING THE OUTBACK

PUBLIC NOTICE

Pest Control Services

For residents of Council and Community houses ONLY.

Council wishes to advise that the Pest Control Contractor, Minserv, will be in Bedourie on the 17th, 18th and 19th of November and in Birdsville on the 20th and 21st of November 2014.

Being a remote area Council does not need to issue entry notices as we do not have a suitably qualified tradesperson locally.

Please be aware that this will be a full service and will involve treating both the inside and outside of your house.

As Council will not be able to give you a set time or day could you please ensure your property is accessible and safe to enter on the days indicated above.

For more information please contact the Facilities Maintenance Officer, Dave Roberts on 07 47461202.
