

# Attention: Water Interruption Notice

Friday 21 June to Sunday 23 June 2024

Start: 9am

Finish: 4pm

Locations: Birdsville and Bedourie

**\*\*\*YOUR INTERRUPTION SHOULD ONLY BE FOR A  
MAXIMUM 2 HOUR PERIOD\*\*\***

Dear Visitor,

Essential mains cleaning works are being carried out by Diamantina Shire Council. There may be a temporary interruption to your water service.

We apologise for any inconvenience and appreciate your patience as we return your services to normal as quickly as possible.

Conducted by: Council-appointed contractor  
(Clearflow)

## Additional Information:

You may wish to store water in preparation for the interruption.

When your water returns, it may be discoloured. This is due to sediment. Please run the tap until your water runs clear.

Milky water is caused by small air bubbles. Do not be alarmed, this is not harmful and will settle after a short period.
