### **Objection to Categorisation of Land**

If you do not agree with the Rating Category shown on your notice, you must lodge your objection on [Councils Notice of Objection Form](#), within 30 days of the issue date of the rate notice. This is available from the Council website, or the Bedourie Administration Centre. The posting or lodging of a notice of objection with Council will not, in the meantime, affect the levy and recovery of rates specified in the rates notice. The rates are still required to be paid by the due date.

The sole ground on which an objection can be made is that having regard to the criteria determined by Council for categorising rateable land, it is considered that the land should have been included, as at the date of issue of the rate notice, in another of the rating categories adopted by Council. This process is governed by Part 5, Division 4 of *the Local Government Regulation 2012*.
