

SUSTAINABLY DEVELOPING THE OUTBACK

PUBLIC NOTICE

Sewer Overflow – Bedourie Pump Station

Council advises that the pump station near the northeastern levee bank in Bedourie is failing causing the sewer to overflow.

Council has arranged for an electrician to be flown into Bedourie to rectify the matter as soon as possible.

Queensland Health issue advice for health risks during and following floodwater events and further information can be found by visiting the Queensland Health website link below.

[Beware of health risks lurking in floodwaters and mud | Queensland Health](#)

Council apologises for any inconvenience.

For more information, please contact Brent Reeman on 4746 1600.
